

The Rawls Course
EXPERIENCE TROON GOLF®

2012 RMGA Cup

In conjunction with all RMGA events for the upcoming 2012 golfing season we are going to have our own “Fed-Ex” type system just like the PGA tour does. Points will be given during each event and other activities with the one with the most points being crowned Rawls Cup Champion. The Cup will begin with the First Rawls Brawl in the Spring and will end with Fall Brawl. We will have weekly standings posted in the golf shop and sent out with weekly emails.

Points Distribution:

Golf Events

- Each participant in RMGA events would receive 5 points for participation per event
- Rawls Brawl weekly points will be awarded in 1 point increments per flight based on # of participants. Ex: (First Place participant in each flight would receive 9 points if there were 9 players or teams in that flight and last place participant would receive 1 point).
- The following events would receive double points for results only:
 - *RMGA Member-Guest
 - *Jerry Rawls Classic Partnership
 - *Rawls Course Championship
- The Fall Brawl will be Triple Points

Other Point opportunities

- 5 Points will be awarded for every \$100 spent on Merchandise in the Golf Shop. Golf Staff will track through Troon Rewards program, so be sure to present your Troon Rewards card or mention it to our staff so you can get your points.
- 5 Points will be awarded for closest to Pin winner during each Rawls Brawl event

Rules

1. Ties will split points
2. You will get points where you fall in events that have non-member teams such as Jerry Rawls Classic Partnership. Ex: If there are 10 teams in your flight and you finish 5th and 4 teams in that flight are made up of non-members, you still get 5th place points which would be 10 points because it is a double point event.
3. If RMGA member wins the overall that is not a member of the course, he will have his choice of membership opportunity.
4. Ties for Champion will be broken by 1. Fall Brawl results and if still tied 2. Participation points and if still tied they will split the 50% discount by the number that are tied. All ties beyond 1st place will split prizes.
